You can disregard our summons. It was originally on for trial, then converted to a motion. I just checked with Jesse, who does our summonses, she sent it to you in error. I apologize.

Good luck on the 19<sup>th</sup>! I do not know how you guys can be expected to be everywhere at the same time.

Happy New Year,

Joan

Joan-

I received your summons for the [REDACTED] case scheduled for a Motion to Suppress on 1/19/2012. I'm curious if I am really needed for a Motion to Suppress, or if the summons has a misprint and should say trial instead.

Also, if the trial is on 1/19/12, I may have a conflict as I also have cases scheduled that day in Quincy, Westfield, and Boston, and the Quincy ADA has told me that it is the absolutely first case on for that day. Just thought I'd give you the heads up.
